1981, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An Arabic proverb says, Before you shoot the arrow truth, dip in in honey. The works of JRR Tolkien are unique in English Literature, as they are filled with hundreds of original proverbs. Not all those who wander are lost, Faithless is he that says farewell when the road darkens, and Never laugh at live dragons are all poetic, wise, and convincingly real-sounding, but they are also a lens, through which more can be seen. These proverbs belong to entirely invented wisdom traditions and reflect the culture, the philosophical worldview, and the history of those who use them. In The Proverbs of Middle-earth, David Rowe discovers and investigates the degree to which the soul of each of these fictional civilizations can be understood through the lens of their proverbs. What is revealed enriches the reader s experience of and delight in Middle-earth, as well as illuminating the astounding depth and detail of creativity behind it. Arrows dipped in honey abound!.
