

Vietnam Journey: Ten Years in Vietnam (Paperback)

By Ronald Stanley Miller

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book in paperback print is not in the category of Philip Capote's excellent Rumor of War, and it is not comparable to Tim O'Brien's If I Die in a Combat Zone Box Me Up and Ship Me Home, and his The Things They Carried. The book is not near in the league with great historical writers of the period Stanley Karnow's Vietnam: A History, Cruel April by Oliver Todd nor Neil Sheen's Bright and Shining Lie or for that matter Frank Sney's superbly told final tragic days of a falling Saigon, Indecent Interval. I have certainly enjoyed reading and learning from these titans. But my tome does however have a small place in the gym lockers and in the beach bags of a few of the curious millions of soldiers and civilians who served in Vietnam while supporting the men who actually shed blood in the jungles for their country. Those that left prior to March 1973 deserve to know how events turned out from someone who was there with his family right...

Reviews

It is a single of my favorite pdf. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Completely essential go through book. I actually have gone through and I am sure that I am going to go to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
