*Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

Penguin Putnam Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Now in mass market from the New York Times bestselling author of the Tradd Street novels: a story of one woman's journey into a secret past--and a life she never expected on the ravaged coast of Biloxi, Mississippi. Working at an auction house in New York, Julie Holt meets a struggling artist and single mother who reminds her very much of her missing younger sister. Monica Guidry paints a vivid picture of her Southern family through stories, but never says why or how she lost contact with them. And she has another secret: a heart condition that will soon take her life. Feeling as if she's lost her sister a second time, Julie inherits from Monica an antique portrait--as well as custody of her young son. Taking him to Biloxi, Mississippi, to meet the family he's never known, Julie discovers a connection of her own. The portrait, of an old Guidry relative, was done by her great-grandfather--and unlocks a surprising family history. READERS GUIDE INCLUDED.
