Dover Publications Inc., United States, 1983. Paperback. Condition: New. Language: English . Brand New Book. Here is a nearly limitless copyright-free sourcebook of authentic Art Nouveau design inspiration. Three hundred designs and motifs have been carefully selected for their ageless ornamental attractiveness from the *Dekorative Vorbilder*, an extremely rare early 20th-century stylebook, by noted artist and designer Carol Belanger Grafton. She has chosen 44 full-page plates, featuring virtually every decorative element including borders, panels, scrolls, cartouches, frames, head- and tailpieces and dingbats. Each is reproduced in full color - soft blues, muted olives, subtle lavenders, salmon pinks and pearly grays. An extensive range of motifs are represented - tangled ivy vines and voluptuous floral sprays of tulips and lilies; Piscean fish, parrots and peacocks; panels of geometric expression and window panes; and sultry women with flowing tresses.
