Paperback. Book Condition: New. Not Signed; Change The World When You Buy This Book. Think of Stick. This Book as the humanitarian's Wreck. This Journal - a book for those who want to end extreme poverty, fight inequality and injustice and fix climate change, but don't know where to start. Stick. This Book is your way of getting your voice heard. The world's first post-it note book is a call-to-action to make the globalgoals - women's rights, ending world hunger and championing renewable resources - famous. The changes we need to make aren't unimaginable but they do require everyone to make some noise. The more famous the globalgoals are the more politicians will take them seriously, finance them properly, refer to them frequently and feel the pressure to make them work. Stick. This Book asks readers to use their creativity and get involved: tear it up, stick it to the walls and share it with your friends. Find the Post-It Ninja Within and: be the first generation to end extreme poverty; be the most determined generation to fight inequality and injustice; be the last generation to be threatened by climate change. Change The World One Post-It Note At A Time. book.
