Studies of Occupations in Agriculture, Forestry, and Animal Industry (Classic Reprint)

By Frederick J Allen

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Studies of Occupations in Agriculture, Forestry, and Animal Industry The growing complexity of the world of occupations, the consequent need for definite information for use in vocational guidance, and the increasing demand for trustworthy data for the class in occupations have led to the preparation of this Bulletin. It is offered to young people in the hope that they will find efficient service and personal satisfaction in the work of their chosen occupation. Every one should know about the farmer and the workers associated with him, for their occupations are fundamental. While liberal Federal and state provision have been made for agricultural education, printed information suitable for use in the vocational counseling of young people in this great field has been lacking. This study presents the important facts of the field as a basis for criticism, further investigation, and choosing a life career. This bulletin is primarily an expansion of Section I of the author's A Guide to the Study of Occupations, into brief but comprehensive analyses of the occupations there presented. A few...
