

## Da ath Veda (Paperback)

By Jonathon Barbera

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The author said, I saw all of the self-hate and, in the more desperate situations, the self-destructive behavior. I couldn't help wondering, how can I fix this? Then it occurred to me: I can write a book. Then I wrote it and everything worked out even better than anticipated. Why suffer or feel joy? What karmic influences are involved and what can be done about them? The mind admires its own reflection. Everything that came before us is still here around us. The people saw themselves and their place in the world in one way in the past, but they can change this perspective in the future. This is the Next Paradigm for Human Living revisited. Sunshine Overcast, the well-respected and sincere reality engineer, will be on the premises and answering questions about the Ego, Karma, suffering, angels and demons, stress, the Abyss within, the divine vehicle, the subconscious mind, DNA, enlightenment, and the World Dragon.
