Chinese porcelain has been found in Egyptian tombs. Professor Sayce has shown that the culture of the Babylonians, including the art of writing, had been communicated to the Hittites, and by them to the people of Asia Minor long before the introduction there of the Phcnnician or Greek alphabet. The still more extraordinary discovery of a connection between the most ancient literature of China and that of the Turan ian founders of Babylon has been made quite recently. For nearly years Chinese scholars had tried in vain to solve the problem of the origin and authorship of the Yih King, but it was not until the Akkadian Syllabaries, brought from Babylonia by the late George Smyth, had been thoroughly studied by Western scholars that the secret was revealed and the affinity between the written characters of Babylon and China was made...
