QUOTES FROM READERS: Just read The Safe Word by Karen Long an unputdownable serial tale thriller. James Purefoy For DS Eleanor Raven Its not so much who, what or when but why that leads this powerful read to its conclusion and Karen Long reminds us that a brutal, vicious and destructive act is not inherently Evil or derived from Satan but is a rational choice made by a human being. The quirky, offbeat and endearing relationship between Eleanor and her partner Laurence Whitefoot shines a light on this dark compelling world of sexual intrigue and mystery. My imagination was certainly held captive! Robson Green Most fictional detectives these days have to have a thing to set them apart from the others, and Ravens is one of the most original for a long time. The plot moves in some unexpected directions, and builds to a genuinely exciting climax. The Safe Word is an impressive, confident debut. Convincing characters and some nice twists make for a compelling, satisfying thriller, and I look forward to seeing whats next for Eleanor Raven....
