THINKING IN NUMBERS

Little, Brown. 1 Cloth(s), 2012. hard. Book Condition: New. The writer, linguist, and educator who wrote *Embracing the Wide Sky* and *Born on a Blue Day*, mathematical savant Daniel Tammet here gives us the book he seemingly was meant to write. Tammet explores such unexpectedly numerical questions as why time seems to speed up as we age, whether there is such a thing as an average person, and how we can make sense of those we love. Through personal anecdotes,...

Reviews

It becomes an incredible publication that we actually have at any time read. It is one of the most incredible book i actually have go through. I am just delighted to tell you that this is actually the finest pdf i actually have read through within my personal life and might be he finest publication for actually.

-- **Prof. Hilma Robel**

This sort of pdf is everything and made me hunting forward and a lot more. It is packed with knowledge and wisdom I am just happy to inform you that this is the greatest ebook i have study within my own existence and might be he very best ebook for actually.

-- **Celestino Blanda**

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
