The city is home to a band of brothers born to defend their race: the warrior vampires of the BLACK DAGGER BROTHERHOOD. Qhuinn, son of no one, is used to being on his own. Disavowed from his bloodline, shunned by the aristocracy, he has finally found an identity as one of the most brutal fighters in the war against the Lessening Society. But his life is not complete. Even as the prospect of having a family of his own seems to be within reach, he is empty on the inside, his heart given to another. Blay, after years of unrequited love, has moved on from his feelings for Qhuinn. And it's about time: the male has found his perfect match in a Chosen female, and they are going to have a young - just as Qhuinn has always wanted for himself. It's hard to see the new couple together, but building your life around a pipe dream is just a heartbreak waiting to happen. As he's learned first-hand. Fate seems to have taken these vampire soldiers in different directions . . . but as the battle over the race's throne intensifies, and new players on the scene in Caldwell create mortal danger for the Brotherhood, Qhuinn finally learns the true definition of courage. 608 pp. Englisch.
