

Pocket Neighborhoods: Creating Small-scale Community in a Large-scale World

Filesize: 8.3 MB

Reviews

This composed pdf is fantastic. It normally will not expense too much. You will like how the writer write this publication.
(Dr. Jerald Hansen)

POCKET NEIGHBORHOODS: CREATING SMALL-SCALE COMMUNITY IN A LARGE-SCALE WORLD

Taunton Press. Hardcover. Book Condition: New. Hardcover. 224 pages. Dimensions: 9.4in. x 9.1in. x 1.1in. Pocket Neighborhoods: Creating Small Scale Community in a Large Scale World introduces an antidote to faceless, placeless sprawl -- small scale neighborhoods where people can easily know one another, where empty nesters and single householders with far-flung families can find friendship or a helping hand nearby, and where children can have shirt-tail aunts and uncles just beyond their front gate. The book describes inspiring pocket neighborhoods through stories of the people who live there, as well as the progressive planners, innovative architects, pioneering developers, craftspeople and gardeners who helped create them. Sarah Susanka, author of the best selling Not So Big House series, wrote the Foreword to the book, placing pocket neighborhoods within context of the contemporary trends in housing and community. Ross Chapin begins the book by outlining the shifts in the scale of community and the American Dream over several generations, leading to super-sized houses in a sea of development, then describes a solution to help restore healthy, livable communities. The first section of the book looks at historic precedents of pocket neighborhoods, from 15th century hofje almshouses in the Netherlands, to a 19th century Methodists Camp Community on Marthas Vineyard, to early 20th century Garden City models and Southern California Cottage Courtyards. The second section covers a wide range of contemporary pocket neighborhoods, including New Urban communities, affordable housing, houseboat communities, eco-neighborhoods, and Ross Chapin Architects own pocket neighborhood examples. The third section focuses on cohousing communities, from Danish origins in the 1960s, to examples across America, Australia and New Zealand, including a chapter on senior cohousing. The fourth section looks at retrofitting pocket neighborhoods within existing communities. Throughout the book are series of Design Keys that highlight the essential principles of pocket...
