Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The vampire was squashed as flat as my hair on a bad day, and the troll had his eye on me next. Then I nearly got killed because of a pigeon, and then I forgot the bloody shopping. I knew the rest of the day would suck. It did. I got a call. I had a job. With the city still in chaos after the Rift spat out more Strange than we could cope with, and me seriously reconsidering my role as Justice, I get dragged down deep into the dark underbelly of all things magical. Things go from bad to worse as I chase a way too hot shifter monster across the scarred landscape of ground zero, a mystery reveals itself that threatens our already tenuous future, and everything unravels as violence escalates. It doesn't help that a demon who thinks fo shizzle is the latest in street talk insists on tagging along, the dark elves are amassing on the other side, and I almost lost Mr. Moppet. Whatever, I m a five-hundred-year-old witch and I m gonna clean up this city no matter what. I m Swift, and I ll show them Justice. Welcome to Strangetown.
