Whitedove Press,US, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Ghost Stalker Two is a psychic s personal journey to the United Kingdom s most haunted castles and ancient mystical locations. It is a fascinating look at the legends of haunted places and a psychic who tracks down the ghosts to get their side of the story. Travel across the ocean with psychic-medium Michelle Whitedove as she shares visions and conversations of ghosts still haunting their favorite places: a knight s mistress who was locked in a castle tower and starved to death; a shoe cobbler that still toils in his underground vault; and a care-taker who was killed while protecting an ancient crypt. European legends are often stories told that are far from the factual events. As a psychic investigator Whitedove wanted to uncover the truth. She sought to demystify the paranormal and answer age old questions Are Ghosts real? Why would a soul want to remain Earth bound? What kind of messages are they trying to relay? Are they evil? During her visits to England s most haunted places she also visited some mystical locations where she answered the previously unknown. What was the true purpose of the ancient stone circles of Stonehenge and Avebury? Are crop circles an authentic paranormal phenomena appearing in Wiltshire England?.
