John Wiley Sons Inc, United States, 2014. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. Overcome psychological obstacles to increase trading success Successful traders need to be well-versed and skilled in a wide range of business and economic areas. But now, in addition to effective trading strategies and sound money management techniques, traders need to possess the know-how to handle the mental and emotional challenges of working in a highly volatile environment. Trade Mindfully is a unique resource that applies cutting-edge psychological techniques to trading skills, allowing readers to improve their mental outlooks and maximize the potential of their trading strategies. This book draws upon recent psychological research in behaviorism to teach new approaches that call for better focus, more confidence, and more positive perspectives and outcomes. One of the key concepts covered in the book is mindfulness, a state of mind traditionally touted in the East for its ability to reduce stress and increase perspective, useful qualities for traders looking to rise above emotional obstacles and the poor results they cause. The author also discusses the importance of High Value Trading Actions (HVAs), specific actions that are under a trader s control. With this guide, trading professionals will be able to form solid strategies based on a combination of these notions and practices, leading to higher levels of trading performance. \* Applies sound psychological practice and evidence-based research to the trading profession \* Covers the psychological perspectives and mental skills needed to succeed in today s trading world \* Focuses on key concepts that lead to deliberate practice, specific trading activities, and increased awareness and focus \* Designed to help traders deal with the emotional challenges that come with uncertainty and risk Trade Mindfully touches on the most essential concepts for anyone intrigued by what trading...
