Painting Angels will take you on a journey with one man seeking a second chance. To do so, he will have to seek out three of the most prominent Angels within their hierarchy. But how can one simply find an Archangel, let alone three? This man quickly realizes that this is no easy task as he finds himself travelling across Europe in order to accomplish his mission. He meets bizarre and interesting people along the way who seem to know more about his troubled past than he can even remember. These social encounters create equivocal opinions, which could jeopardize his mission.
