Overlook Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. The acclaimed author of *I Smile Back*, Amy Koppelman is a novelist of astonishing power, with a sly, dark voice, at once fearless and poetic. In her breathtaking new novel, Dr. Susanna Seliger is a renowned psychiatrist with a specialty in treatment-resistant depression. The most difficult cases come through her door, and Susa will happily discuss medication or symptom management but draws the line at messy feeling. Her mantra and most fervent anti-prayer, and the undeniable fact of her past is that the people who love you leave. But the past is made present by one patient, Jim, whose struggles tear open Susa's hastily stitched up wounds, and she's once again haunted by the feeling she could have saved those she's lost, including her adored, cool, talented graffiti-artist brother. Spectacularly original, gorgeously unsettling, *Hesitation Wounds* is a wondrous novel that will sink deep and remain powerfully, transformingly, like a persistent scar or a dangerous glow-in-the-dark memory.
