It was impossible they had met before - of that she was certain. Yet his hold on her was undisputable, an irrational pull to the utmost recesses of her soul. Vivienne du Lac has everything she could wish for - a normal, peaceful life, a good job, cushy nest egg, and a semi-social nightlife. The only problem? She's clueless to being the reincarnation of the Lady of the Lake, mythical sorceress from King Arthur's time, and Merlin's apprentice. Sebastien Dubois is the guy you wouldn't take home to mom and dad. He's the one you jump off on a motorcycle with, to ride into the sunset. The sexual chemistry between them is sizzling from the start - but there's more to the tall, dark and handsome stranger. When a magical past tumbles into her orderly reality, he is Vivienne's only hope at survival. Caught between darkness and light, a battle she has no intention to fight - let alone the knowledge to win - Vivienne quickly finds out not even closest allies can be trusted. Can she look within and access powers from long past, become the enchantress Merlin meant her to be. Or will she lose it all over love, for Sebastien's salvation? This is a battle between good and evil you don't want to miss.
