

Moon Called: Mercy Thompson book 1 (Paperback)

By Patricia Briggs

Little, Brown Book Group, United Kingdom, 2011. Paperback. Condition: New. Repr.. Language: English . Brand New Book. I didn't realize he was a werewolf at first. My nose isn't at its best when surrounded by axle grease and burnt oil . . . Mercedes Thompson runs a garage in the Tri-Cities. She's a mechanic, and a damn good one, who spends her spare time karate training and tinkering with a VW bus that happens to belong to a vampire. Her next-door neighbour is an alpha werewolf - literally, the leader of the pack. And Mercy herself is a shapeshifter, sister to coyotes. As such, she's tolerated by the wolves but definitely down the pecking order. As long as she keeps her eyes down and remembers her place, the pack will leave her in peace.

Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It's been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

This kind of PDF is every little thing and taught me to look forward and more. It is one of the most incredible books I have read. You won't truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).
