Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you re about to embark on your first novel, you need this book! Dean Crawford is the Sunday Times bestselling author of over twenty novels, and now for the first time ever he has written a full-length non-fiction title on how he got to where he is today. With hundreds of thousands of copies sold with both traditional publishing houses and on his own independent label, few authors have the sheer breadth of experience and success that Dean has achieved in his career to date. In this book, Dean takes you not only through the art and craft process of writing a novel but beyond. Subjects covered include getting an agent with example submission letter and package layout, what to expect from traditional publishing houses, how contracts work and what to expect from editors and marketing teams. He will also guide you through the process of launching an independent career, with advice on converting your novel to e-book format from your word processor with HTML coding, cover design, marketing, editing and finally launching a new title into a digital world crammed with other authors all seeking success. This is not just another self-help book. This is a blueprint for success by an author who has been there, done that on both sides of the modern publishing world and made it as a full-time writer. If you really want to get ahead, a Blockbuster is what you need.
