Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. After having an apparent heart attack and living on pharmaceuticals for months to lessen the symptoms of hypertension, author Ken Kizzee describes how an alternative treatment resulted in weight loss, a focused mind, and relaxation, which in turn corrected the various symptoms of the ailments that the pharmaceuticals were trying to address. Marijuana therapy, which is a combination of meditation, breathing exercises, and cannabis, is the alternative treatment that changed his life forever. This story-lesson is how Ken Kizzee went from unhealthy and negative to being relaxed and groovy in a very short amount of time with seemingly little to no effort. This short book is a story of awakening; finding yourself and using that knowledge to change yourself.
