## Iran, How a Culture Develops Pathology: The Pathology in Transition (Paperback)

By Ph D Effie Miri

Page Publishing, Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have chosen this title for my book because it fits the characteristics of a culture that develops fear, insecurity, doubts, and dishonesty in its very intelligent, ambitious, and hardworking people. This is a culture that treats boys and girls differently developing a sense of dominance, grandiosity, Narcissism, controlling, ignorance in men and a sense of passivity, inferiority, anxiety, and paranoia in women, the symptoms in either group present only pathology. The intention of this book is by no means to be religious or political but Iranian people in essence have been religious. The religion that its very beauty has less been known. It has been transformed to develop fear of God bringing the fear of badconsequences if not followed the concepts, rules, and practices created over time by the religious leaderswhose qualifications are often questionable. It was this mentality of Iranians that was well recognized by western countries behind the revolution, well better known than Iranian themselves that helped the success of revolution in Iran. It was not the people s knowledge of who they are and who they want...

### Reviews

*An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It's been printed in an exceptionally easy way in fact it is simply following i finished reading this publication in which really modified me, modify the way i think.*

-- **Mr. Keyshawn Weimann**

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Mrs. Josiane Collins**
