Reviews

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.
(Norma Carroll)

THEY MIGHT BE GIANTS FLOOD

Bloomsbury Academic. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 6.4in. x 4.5in. x 0.5in. For a few decades now, They Might Be Giants album Flood has been a beacon (or at least a nightlight) for people who might rather read than rock out, who care more about science fiction than Slayer, who are more often called clever than cool. Neither the bands hip origins in the Lower East Side scene nor Floods platinum certification can cover up the records singular importance at the geek fringes of culture. Floods significance to this audience helps us understand a certain way of being: it shows that geek identity doesnt depend on references to Hobbits or Spock ears, but can instead be a set of creative and interpretive practices marked by playful excessa flood of ideas. The album also clarifies an historical moment. The brainy sort of kids who listened to They Might Be Giants saw their own cultural options grow explosively during the late 1980s and early 1990s amid the early tech boom and Americas advancing leftist social tides. Whether or not it was the bands intention, Floods jubilant proclamation of an identity unconcerned with coolness found an ideal audience at an ideal turning point. This book tells the story. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
