Cast Off the British Yoke: The Old Dominion and American Independence, 1763-1776 (Paperback)

By Michael Cecere

Heritage Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Resolved unanimously that [Virginia s] delegates in General Congress be instructed to propose to that respectable body to declare the United Colonies free and independent upon the crown or parliament of Great Britain. 5th Virginia Convention, May 15, 1776. With this historic vote, His Majesty s Old Dominion (Virginia) effectively declared its independence from Great Britain. This bold act in the spring of 1776, an act that was inconceivable to most Virginians just twelve months earlier, was the culmination of a decade long dispute between the American colonists and British officials. In hindsight, the separation between Great Britain and her American colonies seemed inevitable, at least Thomas Paine thought so when he wrote in Common Sense that, In no instance hath nature made the satellite larger than its primary planet. But independence was far from a foregone conclusion prior to 1776 in large part because each of the thirteen American colonies had to individually wrestle with the issue of independence before the Continental Congress could. For a colony like Massachusetts, which experienced military occupation and bloodshed, the decision to support independence...
