

Now is Where We are: Poems from the Priory Hospital (Paperback)

By Hilary Lissenden

Augur Press, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. That there is a link between psychiatric illness and creativity seems widely accepted, although not completely understood. The black dog of clinical depression has kept me intermittent company since my early teens, and I have often written prolifically while recovering from periods of depressive illness. Once read, these poems will always be your companions. By turns they move and delight with their beauty, wit and depth of fellow-feeling. These are the real thing. Dr Iain McGilchrist Consultant Psychiatrist, The Priory Hospital Former Fellow in English Literature, Oxford University.

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).
