ILLUSTRATED TREATMENT FOR CERVICAL SPONDYLOSIS USING MASSAGE THERAPY (PAPERBACK)

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Cervical Spondylosis is a condition in which cervical vertebrae and intervertebral discs in the neck degenerate. The condition is an almost inevitable part of aging and can cause extreme neck pain and lead to arm and hand problems. Unlike any form of Western medical treatment, Massage Therapy from Traditional Chinese Medicine is a non-invasive, successful method of relieving this pain and increasing the movement and...

Reviews

Extremely helpful for all class of folks. I really could comprehend almost everything using this written e publication. You will not feel monotonous at any time of the time (that's what catalogs are for about in the event you check with me).

-- **Prof. Melyna Dooley V**

Extensive information! Its this type of excellent study. I have read and i am sure that i will go nna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Aliyah Mayer**

Completely one of the best publication I actually have ever study. I really could comprehend almost everything out of this written e publication. Your daily life span will likely be change as soon as you total reading this publication.
