Excerpt from Twelve Years Constant Residence in Florida: With Some Relevant, Rambling Remarks Regarding the State as It Now Appears to a Pioneer of 74 No, I've not forgotten, I am coming to them, and will tell you how you can prevent the fleas from coming to you. During the erection of all buildings add a strong salt solution to a good whitewash, apply two coats of the same to foundation blocks, sills, and all floor timbers, pursuing the same course on corner posts and studding to a height of several feet; the higher the better, for you are putting on the cleanest, healthiest, and cheapest of wood preservatives. Before the floors are laid, rake out from underneath all shavings and trash, Sprinkle liberally with lime, fence out the hogs, and you are free from the wicked flea. Until introduced by your own or your neighbor's dog. When that happens, take some insect powder and the dog to the woods, apply the powder to the fleas will leave the dog, and the dog the leaves of the trees. This will prove...

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
