AKAL, 2007. Condition: Nuevo. Este diccionario pretende ser una prosopografía elemental de la historia antigua de Grecia y de Roma. Recoge, elaborada en forma sintética, la biografía de los principales personajes que tuvieron una participación destacada en los acontecimientos históricos de las llamadas civilizaciones clásicas. La obra está concebida como una primera toma de contacto con los protagonistas de la Historia, sin que ello implique falta de rigor o de preocupación por una actualización de los datos. El libro incluye como complemento cuadros genealógicos y listas de emperadores, reyes y magistrados que facilitan su uso.
