Reviews

A new electronic book with a new point of view. it was writtern extremely completely and beneficial. Its been written in an extremely straightforward way in fact it is simply following i finished reading this publication through which really altered me, alter the way i really believe.

(Dr. Florian Runte)

OPERA

Bolinda Audio, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Opera is often dismissed as outdated and excessive, and perceived to be characterised by excessive passions, sumptuous costumes and ill-mannered divas. In reality, however, operas address the most fundamental and universal of human concerns love, death, jealousy, greed, and power. Revealing the diverse reasons behind opera s lasting appeal, opera champion and expert Alexandra Wilson provides a lucid and engaging introduction to the agendas that have governed its composition, production and reception over the last four centuries, and explains the reasons behind its enduring appeal.
