

## Preparing for the Miraculous (Paperback)

Filesize: 4.56 MB

### **Reviews**

*This is the finest publication we have read through right up until now. Better than never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What is the meaning of our existence in the cosmic scheme? Is there a divine purpose in life or is it merely the mechanical playing-out of competing greedy genes ? Do we live in a blind universe aimlessly running its course from Big Bang to Big Crunch or is there a higher purpose in evolution? If there is a conscious guiding intent, why does it allow evil to exist? How do we transcend the limits of a blind scientism locking itself out of a vaster understanding by refusing to admit the existence of any factors outside of its self-imposed limits of scientific verifiability? Can these questions be tackled without landing in the other extreme of religious dogma? Is our planet Earth special in the universe? Do we human beings have a special role in evolution? The Belgian writer Georges Van Vrekhem explores these and other timeless questions in the light of Sri Aurobindo s evolutionary concept and casts a refreshing new look on issues that have been the lasting preoccupation of seekers throughout the ages. This book contains the edited versions of eleven talks that Georges Van Vrekhem gave in Auroville in 2010 and 2011: - Adam Kadmon and the Evolution - The Development of Sri Aurobindo s Thought - Preparing for the Miraculous - What Arjuna Saw: the Dark Side of the Force - 2012 and 1956: Doomsday? - Being Human and the Copernican Evolution - Bridges across the Afterlife - Sri Aurobindo s Descent into Death - Sri Aurobindo and the Big Bang - Theodicy: Nature Makes no Mistakes - The Kalki Avatar.
