Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Once again, New York Times bestselling author Carla Neggers masters the nonstop suspense and pulse-pounding romance that keep her millions of readers up all night. Vermont newspaper editor Cozie Hawthorne is astounded by the money she makes when her collection of Yankee essays becomes a bestseller. But that doesn't mean she'll let success go to her head: she still drives a rusted Jeep and lives in a house built in 1790 that seems more amenable to bats than it does interesting men. Daniel Foxworth, renegade son of the Texas oil Foxworths, specializes in putting out chemical fires. At least he did until someone sabotaged his helicopter and almost killed him. The prime suspect is Cozie's brother, Seth, and evidence is piling up as fast as attraction is growing between Daniel and Cozie. When she finds out that the sexy Texan is out to prove her brother's guilt, Cozie is determined to find out who's really after Daniel. But as danger mounts, Daniel faces an even greater challenge: winning Cozie's trust before someone ends up dead.
