

## Discordianproblems (Paperback)

Filesize: 9.1 MB

### Reviews

*It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).  
(Matteo Torp)*

## DISCORDIANPROBLEMS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ford University proudly presents the comic book-within-a-novel #DiscordianProblems, a trippy tale about an intrepid, falsely-accused whistle-blower named Noam D. Bloom. This post-911 meta-fiction lures reader into a bizarre matrix of superheroes, psychedelics, quantum physics, paranoia, surveillance, and the Occult. Presented as Bloom's military detailing the surveillance of group of occultists known only as The Discord Magi, #DiscordianProblems documents Bloom's slow decent into madness (or his ascension into enlightened Illumination. I mean, who the hell are we to tell you how to interpret what happens to the poor guy.).
