Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Municipal Socialism and Its Economic Limitations The accumulation of wealth is regarded by normal men as a means and not an end. The purposes to which wealth is applied or for which it is consumed vary according to the ideals of society in its different stages. When the more primitive problems of self-support are solved and the gratification of the animal pleasures becomes easier, the growth of sympathy is fostered and the exercise of it encouraged. With increasing wealth the purely selfish interest of many develops into a broader social interest, and one of the manifestations of this social interest is the desire to render aid to the weak and unfortunate. Wealth itself has an exchange value, and with its increase comes a decline in that value and an increase in the price which the wealthy are ready to pay for social betterment. What concerns us now, therefore, is to ascertain, if possible, whether this movement which we call municipal socialism can really continue until it shall result, in the language of Mr. Shaw, in the practical abrogation of property, and if not, what causes will check it and at what stage of its progress. Municipal socialism aims at the municipalization of two kinds of human effort, the one economic, the other humanitarian, which, though not wholly unrelated, are in the main distinct and to some extent even antagonistic to each other: (1) public ownership, operation or control of industrial functions, especially those which are monopolistic in character, such as water supply, lighting, street railways and telephone service; and (2) philanthropic improvement of social conditions. Municipal activity in the field of economic effort, however strongly it...
