Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Federal Licensing Procedures for Importing and Selling Firearms: Hearing Before the Subcommittee on Federal Services, Post Office, and Civil Service of the Committee on Governmental Affairs, United States Senate, One Hundred Third Congress, First Session; March 26, 1993 In summary, the number of Federal firearms licensees has grown significantly over the past 20 years. And while the population of ffl s actively engaged in the business is much smaller, we don t have an effective way to focus upon that group. We have tried to use innovative approaches to target those most likely to Violate criminal law, and in so doing have assisted in the fight against Vio lent crime. Still, we have got to admit that our efforts will not pro vide the degree of effective regulation that I think we all want. Thank you for the opportunity to express our views, and we will be happy to answer any questions you may have.
