Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Many pool players begin playing when they see their friends playing pool and decide to give it a shot. They get a couple quick lessons about how to aim and hold the cue stick. They also get an overview of the rules. If they're lucky, they'll continue to get some advice while practicing with their friends. That's it. Rarely does a player seek out books or information to help their game. Rarely does a player try and find a professional to get a couple lessons in. And worst of all, a player gets almost zero instruction on the mental side of the game. That's where this book comes in. This book is designed for those who already have a good understanding of the basics of pool. The 13 Essential Tips do not cover the mechanics of pool, but instead introduce you to the mental side of the game. The concepts outlined here strive to push you to the next level by mastering some of the fundamental ideas of pool. It does not matter if you play 8-Ball, 9-Ball or any other billiards game, the lessons given in this book will help you to improve your game. They can help you stay relaxed at the table, shoot confidently and keep your mind on the shot at hand. Don't own a pool table? No problem. This book will help you learn to make the most of the time you do have. Make every minute count and help let the champion inside of you see the light of day.
