Brand New Book ***** Print on Demand *****.Excerpt from Educational Advantages for American Students in France It is becoming more generally recognized that, except in special cases, an American student has no need of going abroad to secure what was formerly unattainable at home. At the beginning of the twentieth century the situation of America as regards education is radically different from what it was at the beginning of the nineteenth century. With the rapidity with which changes take place as time goes on, the chances are that the changes that will have taken place at the opening of the twenty-first century will be even more remarkable to contemplate than those which have occurred during the century just closed. At the beginning of the nineteenth century there existed a strong intellectual sympathy between France and America. Benjamin Franklin, during his ministry in France [1776 - 1785], had more to do with stimulating this friendly feeling than any other American in those early days. Thomas Jefferson, however, Franklin s successor as Minister to France [1785 - 1789], was no whit behind his illustrious predecessor in...
