LEADER OF THE PACK (PAPERBACK)

BookBaby, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Leader of the Pack is the story of a man who, like many men, had been going through his life apparently content and positively clueless, who found himself tethered to a tornado as his marriage descended into violence and madness. Surviving courts and cops and chaos and a crazy-challenging-business, he unexpectedly ended up the only parent of five small children--ranging in age from only 18 months to 8 years old?at a time when most men didn?t even know how to change a diaper. It is my story. In it, I detail the transformation I underwent from sole breadwinner to sole parent, from a beaten abused shell of a man to the strong, confident and spiritual person I am today; a nationally recognized spokesman for single dads and entrepreneurs. Though the facts of my story may be different than some, the feelings are the same for single father?s everywhere. We are frustrated. We?re no longer just the backup parent; the ringer sent in when Mom isn?t available?though that was all we had ever been trained for when it came to parenting. It?s not that we don?t love our children. We do, but that and \$5 will get you a latte at Starbucks. We are told by many voices (and silent looks) from counselors, teachers, social workers, judges and our mothers, sisters and ex-wives that we aren?t as capable of raising kids as a woman. We may even feel that assessment is true. We feel helpless and undermined and above all, alone in this. But we are not alone. A quarter of all American households are headed by men who find themselves or choose to be single dads. We need to own that position, be proud...
