PRINCESS SADIE LOVES NOUNS

Mindstir Media, United States, 2014. Paperback. Book Condition: New. Ty Ferrell (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Princess Sadie Loves Nouns is a delightful children s book that will enchant kids and parents alike. Written by author Annmarie Thomas and co-author Winnie N. Thomas, Princess Sadie Loves Nouns teaches children about nouns and how they are used as young readers learn about all the things Princess Sadie loves. Encompassing themes of food, play, learning, and family, this book expands children s horizons by interweaving new concepts and objects with ones already familiar and beloved to kids in preschool and elementary school. Interactive questions are sprinkled throughout the book to encourage children to relate the story to their own lives as they think about the things and people they love. Educators and parents will enjoy using the enrichment activities -- a fill in the missing nouns exercise and a list of common nouns for kindergarten through fifth grade students -- at the end of the book.
