Little, Brown Company, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Arthur seeks a job taking care of pets to prove he is responsible enough to have a puppy of his own. He is glad that his first job is to mind a dog for a week, even a temperamental one, and he lets Perky sleep in his room. An ant farm and a canary follow--but when sister D. W. finds frogs in the bathtub and a boa in the livingroom, Mother banishes these pets to the basement. The reason for some of Perky s fussiness is revealed when, on the day she is to go home, she disappears--and is discovered in Arthur s closet with her new litter of pups. The pleased owner gives one to Arthur in addition to his fee--most of which pesky D. W. claims for a back debt.
