Supporting Creativity and Imagination in the Early Years

By Bernadette Duffy

Open University Press. Paperback. Condition: New. 208 pages. Dimensions: 9.0in. x 5.9in. x 0.6in. In addition to expected information about developmental stages and caregiver response, Duffy discusses diversity and accessibility issues that affect children's response to opportunities to express their creativity! An admirably detailed guide to creativity for persons involved in caring for young children - Education Review. The strength of Bernadette Duffy's book is her ability to share through tables, examples, theory and reflections her deep understanding of children's creative process! - Montessori International Magazine Learning through the arts has the potential to stimulate open-ended activity that encourages discovery, exploration, experimentation and invention, thus contributing to children's development in all areas of learning and helping to make the curriculum meaningful to them. Bernadette Duffy draws on her extensive experience of promoting young children's creativity and imagination to examine how visual representations, music, dance, imaginative play and drama can enable children to express their feelings, thoughts and responses. She highlights examples of good practice and provides practical guidance for those working with young children in a variety of settings, including home, school and centre-based care. Updated throughout, this second edition considers creativity and imagination in the light of contemporary initiatives such...
