Mr. Capper, in his excellent sketches entitled Old Ceylon, gives us many examples of the truth of what I have alleged above, the result of my own experience. In India, says Mr. Capper, the way to justice, open though it is intended to be to all, becomes so overgrown by rank bribery and extortion, that the poor ryot has small chance of passing the threshold. The very attempt to do so often subjects him to cruel and relentless persecution. Naturally the Cinghalese are a litigious race. They are men of chatter, infinite chatter and small action, and the delays and uncertainties of our English system of law suit them exactly. Legal proceedings have been known to be instituted in Ceylon in cases involving no larger stake than one-fourth part of a cocoa-nut tree, or the sixteenth share of a profitless paddy-field on the side of a bleak and stony hill. --The National Indian Association This item ships from La Vergne, TN.
