The Captains Airline: Pushing Back from the Brink (Paperback)

By Capt Art Samson

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.SYNOPSIS The Captains? Airline: Pushing Back From The Brink Following a tragic accident during their triumphant homecoming in 1983, the entire Blue Angels team was disbanded and Naval Aviator Brad Morehouse has found himself relegated to the flight engineer seat of a commercial 727. From the lowest notch on the totem pole he watches Omega Airlines spiral downward as one crew blunder after another threatens to force the once proud captains airlines into extinction. Leveraging his expertise on high performance teams, Omega selects Brad to be a member of a blue-ribbon committee tasked to design a state-of-the-art Crew Resource Management (CRM) pilot training program. For the airline to survive, crew performance must improve. Yet the activities of that committee expose actual underlying dynamics of numerous hair-raising calamities and readers will encounter authentic bristling accounts of airplanes falling from the sky, pilots surviving accidents, haunting individual failure, and teams admirably conquering impending disaster. And Brad wrestles with his own demons; marital deceit, childhood tragedy, and professional failure, to emerge as Omega s white knight. Get a look at the macho mind-set...
