AUTHORHOUSE, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Resilience is a value that unfolds over a lifetime and has shown to be expressed in different ways and by different disciplines. The book covers a total review and reflections of resilience role in creating better socio-economy. The author targets to provide practitioners, researchers and change community leaders a roadmap to boost resilience economy and resilience engineering and manage their existence. This work is essential for better withstanding adverse shocks and reducing the economic costs associated with weak economic structures through ability to absorb disturbances and bouncing back, while continuing to function. With resilient economy, the world would witness more harmony while enhancing its capacity to respond to sudden crisis. Something that is worth exploring more in today s daunting conditions.
