A HANDBOOK OF PUBLIC SPEAKING (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Handbook of Public Speaking The purpose of this book is to furnish the student of public speaking with a concise statement of the principles he ought to know, together with a few hints as to method. It is intended to be used in conjunction with platform practice, preferably under the critical guidance of a teacher; for that reason it is not in the form of graded exercises and assignments, but in the form of a series of collateral lectures, each covering some fundamental lesson which the student can well afford to learn from the wisdom and experience of others. No subject has been covered exhaustively, as the size of the book will show; and in most cases I have purposely tried to stop at the point of greatest interest, leaving plenty of room for further inquiry on the part of the student, and for supplementary comment by the teacher. The book is confined to public speaking, which to me means the communication of one's own thoughts to an audience, in one's own words and personality.
