Wipf Stock Publishers, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Emptiness is a strange phenomenon that haunts us in many ways. Most of us have felt empty at one time or another, though we don't often talk about it. We have a sense that something is missing in life. Raposa, Lehigh University Drawing on both the mystical, apophatic tradition of Christianity and on Eastern traditions, Auten invites us to engage with his remarkable set of reflections on how more absence (the contradiction is intentional) and greater emptiness can fill us with greater personal wisdom and self-knowledge. This is...
