By Joseph Spark

Createspace, United States, 2015. Paperback. Book Condition: New. 204 x 129 mm. Language: English . Brand New Book. The Sony a7s is one of the latest digital cameras that is manufactured by Sony and was announced in April 2014. This is one of the three models that Sony had ventured into the full frame mirrorless interchangeable lens cameras. The a7 series of cameras have been specifically designed to target the more advanced digital photography users. One of the features of the a7 series of cameras is that it utilizes full frame sensors while maintaining a DSLR design. They however still have a small, lightweight design that is comparable with some of the lightest DSLR cameras. The main highlight of this camera is that it is aimed towards video production with a high sensitivity. This camera is sure to please all users with its incredible features. This eBook will seek to explore these features as well as guide the user.
