

El Raton Del Campo y El Raton De La Ciudad (the Town Mouse and the Country Mouse) (Paperback)

By Debra Housel

Teacher Created Materials, Inc, United States, 2008. Paperback. Condition: New. Student.. Language: Spanish . Brand New Book. Act out the story of two cousins, the town mouse and the country mouse in this Spanish-translated script. When the country mouse visits the town mouse, the two get into all sorts of trouble. The mice just want to feast on a family s leftovers, but a hungry dog and cat find them and start to chase them around. Before long, the country mouse wants to go back to his peaceful home in the country and learns that there really is no place like home! The six roles in this script match different reading levels, enabling teachers to use differentiation strategies in their instruction. These strategies allow all students to engage in the same activity, regardless of their current reading level. All students can feel successful and can gain confidence in their reading fluency. Students can also practice reading aloud, interacting cooperatively, and using expressive voices and gestures while performing the story together. An accompanying poem and song give readers additional resources to practice fluency in an engaging way. This dynamic, Spanish script is the perfect tool for a classroom or varied readers!.

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
