Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Luxembourg, officially the Grand Duchy of Luxembourg, is a landlocked country in Western Europe. Over the past five years, Luxembourg s economy has evolved significantly, through greater sectorial diversification and openness in both regulations and foreign direct investment opportunities. Diversification of the economy away from the historically-dominant financial sector (including both banking and investment fund services) began in earnest a decade ago, in 2004, when key future industries were selected as economic growth vectors: logistics; information and communications technology (ICT); health technologies (including biotechnology and biomedical research); clean or green technologies (solar, wind, and alternative energy sources); and more recently, space technologies (focusing on satellite development). Subsequently and partly as a bi-product of the world financial crisis that started in 2008, Luxembourg came under fire from other European Union (EU) Member States, as well as international organizations such as the Organization for Economic Cooperation and Development (OECD) for being a so-called tax haven, mainly due to historic banking secrecy laws. With the advent of the U.S. Foreign Account Tax Compliance Act (FATCA) and the EU-mandated Automatic Exchange of Information Law for bank savings accounts, replacing the previous automatic withholding of taxes on savings, Luxembourg was pressured into reform toward greater openness - which has in fact created opportunities for increased foreign direct investment, as they move away from a non-transparent image. The Luxembourg investment climate is more conducive than before to U.S. investment, and plenty of opportunities exist for U.S. businesses in the key growth sectors mentioned above. The Government of Luxembourg (GoL) is actively seeking out logistics companies to expand the new logistics hub at Findel Airport - integrated into the Luxair Cargo Center, the leading air cargo hub...
