You want to make a huge, lasting difference in the lives of students, right? The Be-With Factor is a powerful, practical, and sustainable mentoring approach that does just that. It's patterned after Jesus' example of being with his disciples in a variety of real-life settings. It's not another program, but it's about reaching a generation by focusing on a few and doing life with them. Amazing things happen when you spend time with a student purposefully and intentionally--running an errand together, going to the store, grabbing lunch, letting ministry happen naturally. The impact of your faith, shown in everyday life, will transform students' lives--and the impact on one student has the potential to reach a whole generation. Being with not only works, it's Jesus' way. Set forth in careful detail by two veteran leaders who live it, the Be-With factor isn't an add-on--it's the very heart of youth ministry. This book will help train and equip you, and once you adopt the Be-With lifestyle, it will revitalize your passion to make an eternal difference in students' lives.
