iUniverse, United States, 2011. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For millennia, the human race has been controlled and manipulated by forces beyond our own dimension or awareness. A carefully managed human/extra-dimensional breeding program has produced a hybrid slave race that isn't aware of its true origins or fate. Few know that these shadow puppeteers are actually in control-or that they even exist. They are not human . but then again, neither are we. As the epic battle of consciousness expands into the outer dimensions, we know that one thing is for certain: When the Liberty Bell rings once again, their empire will be reduced to a heap of ashes. There will be an army of forces, backed by the highest of forces in the heavens, which will conduct this re-awakening of the masses. This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free. The battleground is within each of us, and our captors are but a reflection of humanity. Unless we change ourselves, how will the reflection be changed? Hopefully, after this enduring encounter deep into the rabbit hole, you will realize how this reality has been manipulated by forces in the fourth dimension. In order to succeed, we must propel ourselves through the heart chakra and into the fifth dimension, where the beloved Terra will find the peace and dignity that she deserves. The fate of the world hangs in the balance. All we have to do now is make a choice.
